

## **REGULATORY REFERENCES**

Legislative Decree 30 June 2003, n. 196 - "Personal Data Protection Code".

EU Regulation 2016/679 of 27 April 2016, on the protection of individuals with regard to the processing of personal data and on the free movement of such data.

## **THE DATA CONTROLLER**

The Data Controller is Rizzani de Eccher S.p.A. with registered office in Via Buttrio, 36, 33050 Pozzuolo del Friuli (UD).

## **PURPOSE OF DATA PROCESSING**

Following use of this website, data relating to identified or identifiable persons may be processed.

### *-Internet browsing data-*

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the communication protocols of the Internet. This information is not collected to be associated with identified data subjects, however, by their very nature, could, through processing and association with data held by third parties, allow them to be identified. This category of data includes IP addresses or domain names of computers used by web users connecting to the website, URI (Uniform Resource Identifier) of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in reply, the numerical code indicating the status of the response from the server (successful, error, etc..) and other parameters regarding the operating system and computer environment. These data are used only to obtain anonymous statistical information on the use of the website and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in the event of hypothetical computer crimes against the website, apart from this possibility, the data on web contacts do not stored for more than seven days. The website uses technical and session cookies to ensure its functionality. These cookies do not collect information about your browsing activities.

### *-Cookies-*

This website uses "cookies". Cookies are small portions of data that are temporarily stored in the browser memory. The data collected through cookies allow us to compare new and old visitors, understand how users navigate the website, and generally allow a better user experience of the website.

If you want to disable the cookies function, you must configure your computer's settings by setting all cookies to be deleted or by triggering a warning message when cookies are stored. To proceed without changing the cookies' application, simply continue browsing. Please visit "[AboutCookies.org](http://AboutCookies.org)" for more information about cookies and how they affect your browsing experience.

The types of cookies we use

Essential cookies

These cookies are essential for navigating throughout the website and using all its features, such as accessing the various protected areas of the website. Without these cookies some necessary services, such as filling out a form for a recruitment process, cannot be used.

#### Performance cookies

These cookies collect information about how you use a website, such as which pages you visit the most, or if you receive error messages from web pages. These cookies do not collect information that identifies a visitor. All information collected through cookies is aggregated and therefore anonymous. They are only used to improve the functioning of a website. By using our website, you agree that such cookies may be stored on your device.

#### Feature cookies

Cookies allow the website to remember choices you have made (such as your name, language or region of origin) and provide advanced custom features. These cookies can also be used to remember changes made to the size of text, fonts and other parts of web pages that you can customise. They can also be used to provide services you've been asked how to watch a video or comments on a blog. The information collected by these types of cookies may be made anonymous and unable to monitor your browsing activity on other websites. By using our website, you agree that these cookies may be installed on your device.

#### Cookies used by this website

This website makes use of the use of cookies both of first party and third party.

The table below details the cookies currently available on the website.

COOKIE NAME	DEFAULT EXPIRY PERIOD	TYPE	COOKIE DESCRIPTION
<b>_ga</b>	Default expiry period is set after 2 years	<b>Third-party Analytics</b>	This cookie is associated with Google Analytics and is used to distinguish users by assigning each user a randomly generated number as an identifier. It is used to calculate the number of visitors to the page, sessions and data to produce anonymous statistical analysis reports.
<b>_gid</b>	Default expiry period is set after 24 hours	<b>Third-party Analytics</b>	This cookie is associated with Google Analytics and is used to distinguish users by assigning each user a randomly generated number as an identifier. It is used to calculate the number of visitors to the page, sessions and data to produce anonymous statistical analysis reports.

<b>_gat</b>	The default expiration date is every 10 minutes	<b>Third-party Analytics</b>	This cookie is associated with Google Analytics, it is used to speed up access requests.

*- Data provided voluntarily by the user -*

The optional, explicit and voluntary submission of personal data by the user in the registration forms / collection of personal data on this website involves the subsequent acquisition of the data provided by the sender, necessary for the provision of the requested service. Specific information will be progressively reported or displayed on the pages of the website prepared for particular services on request.

## OPTIONAL PROVISION OF DATA

Apart from that specified for browsing data, the user is free to provide personal data contained in the application forms or indicated in contacts to request the sending of informative material or other communications. Failure to provide them may make it impossible to obtain the information requested.

Normally, browsers allow most cookies to be controlled through your browser settings. However, please note that the total or partial disabling of technical cookies may compromise the use of the website's functions. In any case, if the user does not wish to receive any type of cookie on their computer, neither from this website nor from others, they can raise the level of privacy protection by changing the security settings of his browser:

Chrome: <https://support.google.com/chrome/answer/95647?hl=it>

Firefox: <https://support.mozilla.org/it/kb/Gestione%20dei%20cookie>

Internet Explorer: <http://windows.microsoft.com/it-it/windows7/how-to-manage-cookies-in-internet-explorer-9>

Opera: <http://help.opera.com/Windows/10.00/it/cookies.html>

Safari: [http://support.apple.com/kb/HT1677?viewlocale=it\\_IT](http://support.apple.com/kb/HT1677?viewlocale=it_IT)

Please note that you can selectively disable Google Analytics by installing the opt-out component provided by Google on your browser. To disable Google Analytics, see the link below:

<https://tools.google.com/dlpage/gaoptout>.

## COMMUNICATION OF PERSONAL DATA

The personal data collected may be communicated to authorised third-parties for activities strictly related and instrumental to the operation of the service, such as management of the computer system, or for processing by other companies for the same purposes. Apart from these cases, personal data will not be communicated or granted to anyone, unless provided for in the contract or authorised by the parties. In this regard, personal data may be transmitted to third parties, but only and exclusively in the event that:

explicit consent is given to share the data with third parties;

there is a need to share information with third parties in order to provide the requested service;

this is necessary in order to comply with requests from court or public security authorities.

The personal data collected may be communicated to the companies of the Rizzani de Eccher Group and/or branches or worksites in relation to the purposes performed by the individual companies. If intra-group communication is made to companies based outside the European Union, Rizzani de Eccher S.p.a. has the necessary guarantees that the transfer of the data will be performed in accordance with the provisions of Chapter V of the GDPR.

## **DATA PROCESSING LOCATION**

The processing connected to the web services of this website takes place on the servers of Rizzani de Eccher S.p.A.

## **LINKS TO OTHER WEBSITES**

This website may contain links or references to access other websites. The Company does not control the monitoring technologies of other websites to which this Policy does not apply.

## **RETENTION PERIOD**

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected. Personal data collected for the purpose of statistical analysis shall be anonymised.

## **RIGHTS OF DATA SUBJECTS**

The subjects to whom the personal data refer have the right at any time to obtain confirmation of the existence or otherwise of such data and to know its content and origin, verify its accuracy or request its integration or updating, or correction (art. 7 of Legislative Decree 30 June 2003, n. 196, and Articles 15 to 22 of EU Regulation 2016/679). Pursuant to the same article 7 of the Legislative Decree of 30 June 2003, number 196 and articles 15 and following of EU Regulation 2016/679 you have the right to request cancellation, transformation into anonymous form or blocking of data processed in violation of the law, and to oppose in any case, for legitimate reasons, to their processing.

## **CHANGES TO THESE PRIVACY POLICIES**

Rizzani de Eccher S.p.A. periodically verifies its privacy and security policies and, if necessary, reviews them in relation to changes in legislation, organisation or dictated by technological developments. In case of policy changes, the new version will be published on this page of the website.

## **QUESTIONS, COMPLAINTS AND SUGGESTIONS**

Anyone interested in further information, contributing their own suggestions or forwarding complaints or objections regarding the Company's privacy policies or the way in which Rizzani de Eccher S.p.A. processes personal data, can do so by writing to the following e-mail address: [mail@rde.it](mailto:mail@rde.it)
